## Enviro Club Policy

The Enviro Club of our college was formed with the idea to contribute towards the current global issues of **Save our Environment Save our Earth**. The Club aims to teach the students to have an eye and heart for Environment protection and to strive for a pollution free surrounding. The Enviro club enriches and encourages the students to participate in the global environmental sustainable activities.

### Objectives of Enviro Club

- To create awareness among the students about the problem of plastic waste to the environment and reduce the usage of plastic in college campus.
- To organize awareness programs on Environment Protection to the students.
- To promote tree plantation not only in the college campus but also in the city area collaboration with the Forest Department, Ambur.
- To create awareness among the students for segregating biodegradable and non biodegradable waste.
- To promote the need of energy saving among the students, teaching and non-teaching faculties of our college.
- To make Clean and Green Campus
- To create awareness among Society through students by arranging rallies in related to environmental protection, tree plantation and to create a pollution free environment
